ADOPT ME: SUNDANCE

Hi everyone, my name is Sundance. I am a friendly, affectionate boy who enjoys head scratches and listening to you tell me about your day. You'll often find me relaxing in cozy cat beds and being super handsome.

I was brought to Cat Care Society because my owner could no longer care for me. I am diabetic, so I require a diabetic management diet fed at regular intervals along with insulin shots. I have previously done fine with my kitty roommates here, but I seem to be growing tired of them, so I might do better in a home without other animals to pester me.

I am also easygoing enough that I would do fine with children who are nice to me. Since arriving at CCS, I have had quite the journey in and out of the shelter. Be sure to ask the staff about my story! I have been a real trooper through the ups and downs, but I am ready to find my final furr-ever home with someone to give me endless chin scratches. If you are looking to open your home to a sweet, wonderful special needs kitty, please come meet me today!

We care for ALL cats.

We are non-discriminatory in our love for cats: none are the wrong color, size or gender; none are too old or too young; none are too ill to be valued, loved and treated with dignity.

Dear Kitties,
Do Kittens lose their teeth?
Sincerely,
Cat Friend

Dear Cat Friend,
Yes, much like human children, kittens lose their baby teeth. By 6 weeks, kittens should have acquired all their milk/baby teeth. These are very sharp and needle-like, but they don't last long. Between 3 and 5 months, these teeth fall out and are replaced by their permanent adult teeth.
Good Question!

BONFIRE + CAT CARE SOCIETY

In addition to Meow Mart, our on-site store, Cat Care Society has partnered with Bonfire to bring us an expanded selection of merchandise to shop from online! Full of great items such as shirts, mugs, hats and totes in many different colors and styles!

What a great way to support the cats of Cat Care Society while also looking super stylish.

FROM YOUR BOARD OF DIRECTORS:

As it is said, "The only thing constant in life is change." That certainly has applied to Cat Care Society in the past few months.

We have seen some major changes. There is a new board president, Mark Colman. He can be seen walking around the shelter from time to time and I hope you have a chance to meet him and say "Hi". He is prepared to bring new ideas and reinforce some old ideas and see that our Mission Statement is always in the forefront.

I have enjoyed my time as president but am glad to step down and have young people stepping forward. It seems like just yesterday that I was planning our 40th anniversary celebration! I will be staying on as a member of the board. I have made some lasting friendships and have so many fond memories of the time I have spent at Cat Care Society. From Harlan Street to the beautiful shelter we now call home.

I hope all of you will give the new board members and staff a chance to earn your respect and that you will continue to support and love the cats as I do.

Thank you for your support of me and your friendship.

Sincerely,
Kay Higgins

PAWS ON THE GREEN:

BY KEN DOBROVOLNY, BOARD MEMBER

It is now just a little more than a month away from our Fifth Paws on the Green golf tournament to benefit the Cat Care Society. We will again be going up to Evergreen golf course for a wonderful day on Friday, September 16, 2022. This year, we are hoping to have more golfers participate and more sponsors also helping out.

Our focus now is making sure we have enough room for everyone to play. If we have the same number of players as before, we are fine. If we happen to find more players, then we need to notify the golf course at least three weeks prior to the event to reserve more spaces. We will also offer a continental breakfast and wonderful buffet luncheon for players and sponsors, so we need to get our number of attendees settled early. Our effective deadline for players is the end of August. We can still accept sponsorships up until about September 9th.

Hole Sponsorships are only \$300 each, and other sponsorship levels are also available. Each sponsor can put a picture of their cat(s) or kitten(s) on their sign, and then take the sign home after the tournament. Usually, the players in the tournament will want to look at all the different cats/kittens on the signs as they reach each golf hole, so we want to have all the holes sponsored. We still have sponsorship opportunities open.

Our goal this year is to reach a total net return to CCS of at least \$10 thousand dollars from Paws on the Green. This can go a long way towards helping all of our felines at CCS stay healthy and happy while we try to find each one their forever home. We continue to specialize in some of the special needs cats and kittens, and we pride ourselves in helping them all get adopted.

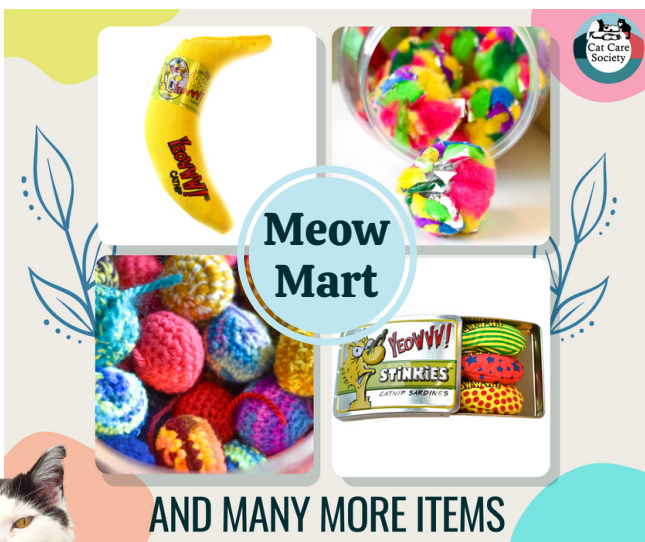

We also are hoping that the Evergreen herd of Elk come down towards the clubhouse the morning of our tournament again. They have greeted us the last two tournaments, and every one of the golfers loves to see them. We think this year's Paws on the Green benefit golf tournament will be a bigger success than prior years, and we encourage you to help us meet this goal. Sign up today to either play in the tournament, or become a sponsor, or perhaps both. Just go to: www.catcaresociety.org/golf to sign up.

KITTEN BRUNCH

The Waldschanke Ciders Kitten Shower & Brunch was a huge success! We had so many people show up in support of CCS and to meet our kittens, Bon and Jovi, that they actually ran out of Brunch to serve!

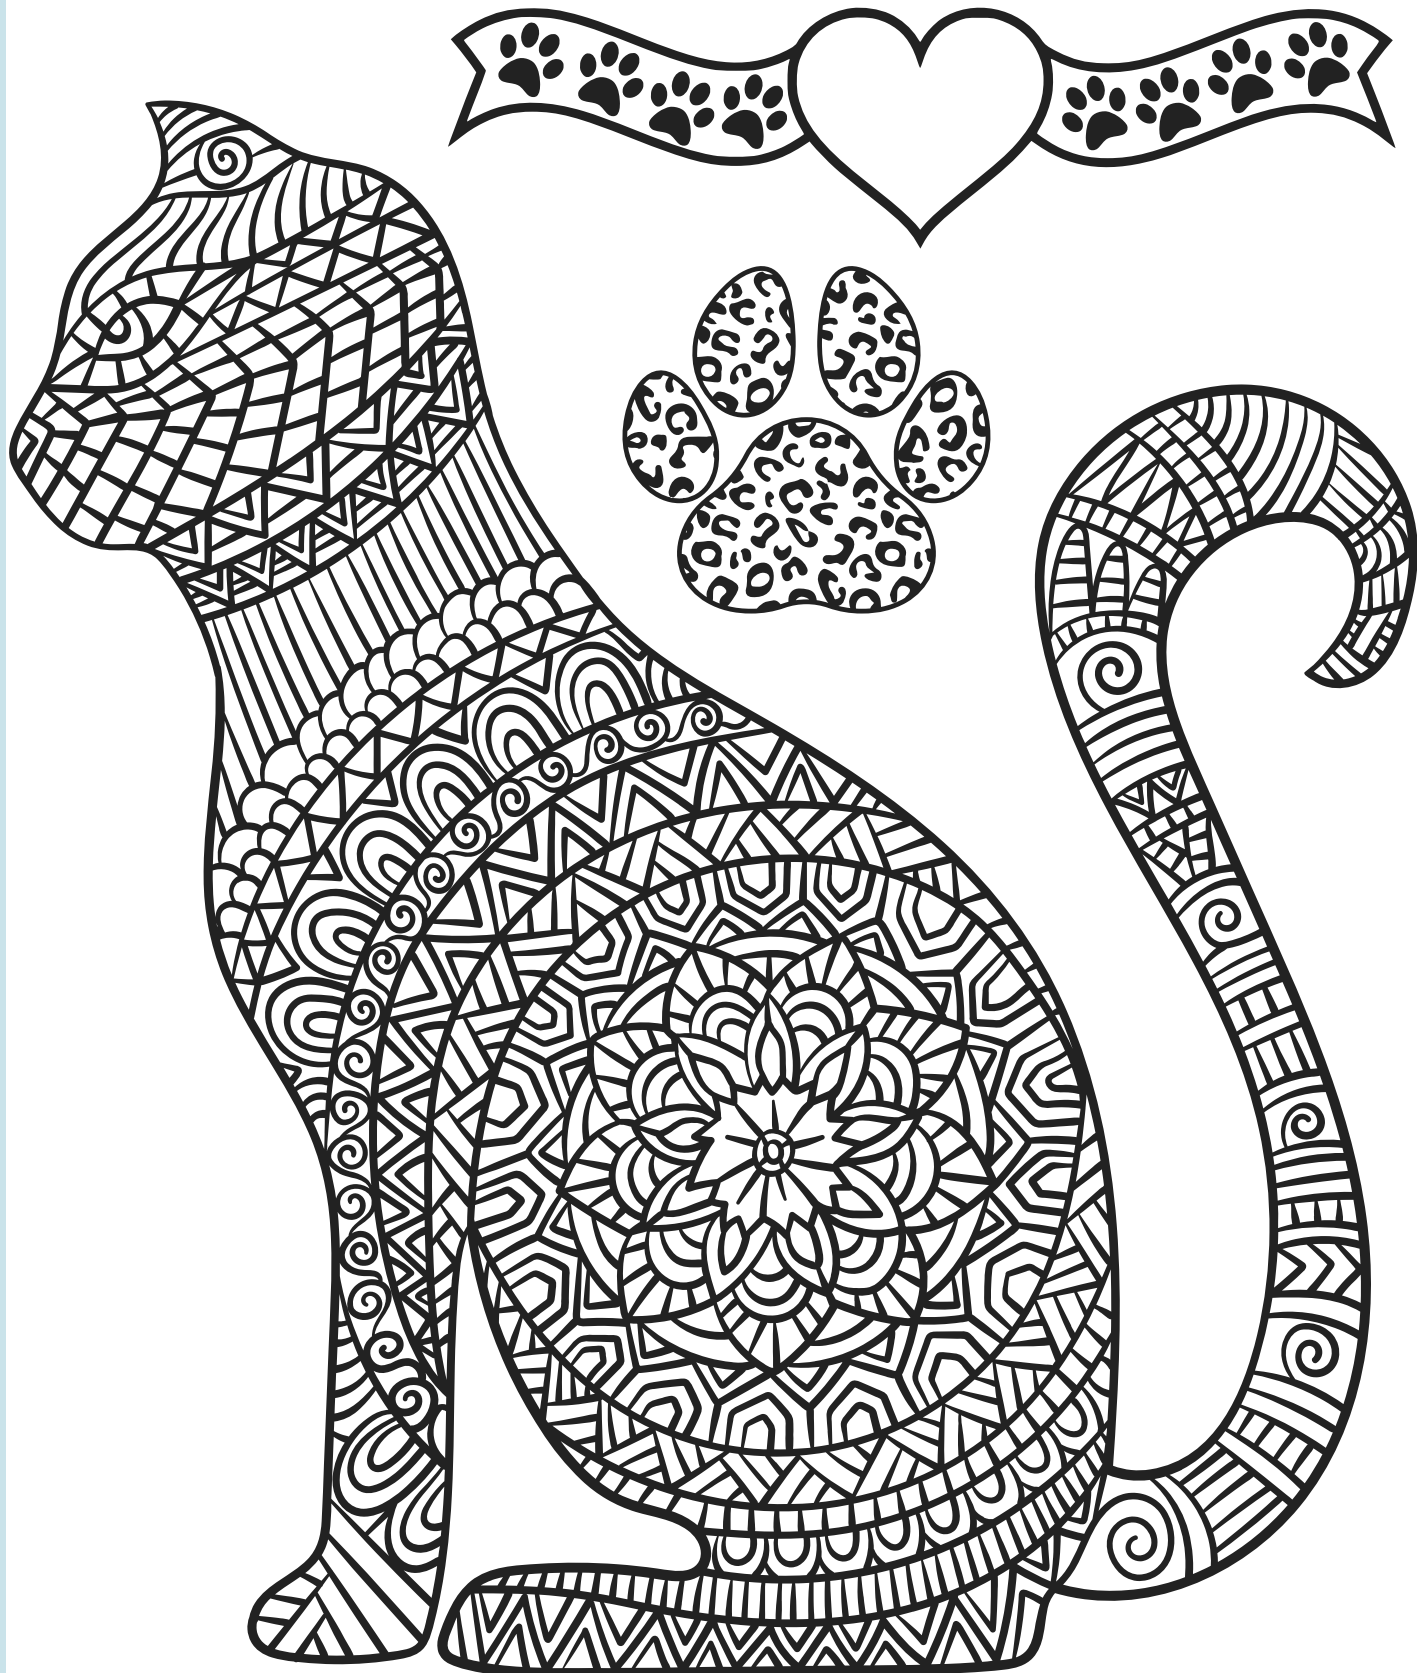

Truly amazing. Thank you to Waldschanke Ciders for hosting this wonderful event and thank you all who attended and donated, the kittens of CCS are thrilled.

THE POWER OF CORPORATE MATCHING DONATIONS:

BY MICHELLE GILL, CCS DONOR & SUPPORTER

I heard about the Cat Care Society from a good friend and there's nothing I want to support more than an organization that cares for my favorite animals!

Paxton and Tux are two wild boys! We've had them since they were kittens and they run our house. Nothing happens in our house without them being a part of it. There is a constant game of tag going on until one of them makes it to base...but let's be real they don't play by the rules and base is not a safe spot, so the game continues until the fun tube ("tunnel") is flattened! Once they are worn out from playing, they are complete snuggle bugs. Tux gives the best hugs, as he puts his paws around your neck and head butts you, and Paxton passes out on your lap and has the littlest snore going on.

I decided to donate to the Cat Care Society because I love the organization and what it does for cats. If I could, I would take in every cat that did not have a home, but since that is not practical, I'm so thankful for organizations like Cat Care Society that make sure kitties have the care they need and provide a safe place for them.

I work for The Gates Foundation and they match employee donations, to qualified organizations, dollar for dollar. I made a donation to the Cat Care Society and it was a piece of cake to get it matched. I just had to fill out a short form (provided by my HR department) and less than 5 minutes later my favorite organization received twice the amount of money in donations!

To anyone thinking about making a donation and asking their company to match it, I say "Just Do It!" Generally these programs are in existence and are just waiting for employees to put them to use. It's a wonderful, easy way to make an impact on your favorite organization even greater!

SUMMER FESTIVAL

Cat Care Society's Summer Festival went off without a hitch! So many showed up for ice cream, jewelry shopping, and playtime with the cats and kittens.

Thank you to all who attended and a special thanks to our Volunteers and Staff at CCS.

THE STORY OF PIE

BY ERIN ELLEBRACHT, JUNIOR BOARD MEMBER

Pie was a special guy that one of our volunteers met on their Meals on Wheels route. He was the only pet of a very nice person who happened to be in hospice care in their home.

Pie only knew his owner and he was very protective of them when anyone would visit. Pie's owner was worried about what would happen to him once they were gone and the volunteer referred them to the Cat Care Society. Sadly, his owner passed away shortly after this and Cat Care was contacted and was able to step in.

Pie was very scared and it took the staff hours to catch Pie to bring him to the shelter. Once there, he was both scared and aggressive toward everyone, but we had hope.

Over the next few days Pie started to come out of his shell. He would come out to greet newcomers, allow pets, and even purred. He seemed like a completely different cat, but we knew it was his true sweet and loving personality. Not long after hanging out in one of our cat rooms, Pie finally found his forever home with a wonderful family. He remains an example of the many reasons Cat Care Society is such a wonderful organization to be a part of.
